

Project Coordination, Monitoring and Evaluation

This component is supporting project coordination and implementation at the national, county, and grassroots levels through institutional structures created under the KAPAP and KAPSLMP. The component also supports activities related to project coordination, Monitoring and Evaluation and impact assessment.

KAPSLMP Implementing Agencies

KAPSLMP is a multi-institutional initiative implemented by the Ministry of Agriculture and that of Environment and Mineral Resources in collaboration with:

- National Environment Management Authority (NEMA)
- Kenya Agricultural Research Institute (KARI)
- Kenya Forest Service
- Water Resource Management Authority (WRMA)
